BLACKWOOD'S MAGAZINE FOR SEPTEMBER comes to us from the Leonard Scott Publishing Co., 41 Barclay street, New York. The leading political article is a "Review of the Session." The serials, "Alice Lorraine" and "Valentine and his Brother" are continued, and in both of them the storm elements, which have, been gradually gathering, are about to burst. The Tribute in Memoriam to Charles Sumner is by W. W. Story, with whose contributions, both in prose and poetry, the pages of Blackwood are occasionally enriched. No. 6 of "International Vanities" comes to us like a letter from an old friend. In the article on "The Greek Fool," the student will find many facetiae and absurdities illustrating a species of the 'fool' genus with which the British public is only half familiar; and in that on "The Ancient Classics," we are introduced to the valuable series of books now publishing, entitled "Ancient Classics for English Readers." In the "Disappointing Boy," we meet with a youth spoiled by his mother, proving a severe trial to his father. "Pleasures and Pains" describes the fishing, and other occupations of the people. Surely this is plenty of good reading. For sale at the Book-stores in town.

BREAKFAST.—Epps's Cocoa.—GRATEFUL AND COMFORTING.—By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected cocoa, Mr. Epps has provided our breakfast tables with a delicately flavoured beverage which may save us many heavy doctors' bills. —Civil Service Gazette. Made simply with boiling water or milk. Each packet is labelled "James Epps & Co., Homoeopathic Chemists, London." 16-9m

Special Notices. IT IS OF THE UTMOST IMPORTANCE that a remedy intended for popular use should be not only thoroughly reliable and scientific, but incapable of producing dangerous results. The treatment of old lingering complaints is necessarily protracted, and if deleterious drugs are taken into the system for a long time, they may accumulate and do more harm than good. Dr. Williams' Compound Elixir of Phosphates and Calista, containing elements of the tissues, repairs diseased bone, muscle and nerve, and restores constitution and vigor in the same manner as our daily food, with no more liability of injury. It may be taken in all forms of debility in the young or aged, with positive certainty of permanent benefit.

The Simplest, Cheapest, and Best Marking Apparatus in the World. For Marking COTTON, SILK, WOOLEN, and LINEN, is PAYSON'S INDELIBLE INK. Used with a Common Pen without a preparation. This ink flows perfectly; will write as easily on the finest muslin as ink on paper. It does not dry up, and retains its virtues longer than any other ink known. It will not injure the finest fabric. It has been used for over forty years, and is now the most popular ink in existence, and is unequalled for uniformity of quality and durability. It will mark more neatly, quickly, and indelibly than any other apparatus. It requires no preparation of the fabric. Price, 37 cts. per bottle. Sold by all Druggists, Stationers, and Fancy Goods Dealers.

Co-Operative Store. On reference to all our advertisements since commencing business in Guelph seven years ago, it will be seen that we never offered "To Slaughter Goods," "To Sell at Half Price," "To Sell at a Great Sacrifice Irrespective of Cost," "To Sell 50 per cent under other Houses," "To Keep the Largest and Best Stock in the Dominion." We have carefully abstained from exaggeration, giving facts and figures only, leaving it to the buyers to judge for themselves. Our aim has been to buy low, sell cheap to increase our sales, to allow no house to undersell us, to give our customers a share of profits, and make only one price. The result has been that we have done a steady, prosperous, and increasing business, retaining old and obtaining new customers. Some left us to obtain goods "at half price," but soon returned, as "actions speak louder than words." Hence we will continue to conduct our business on the same principle. J. C. MACKLIN & CO.
