Get a McClary Rust Proof Gas Range

Rust is the chief enemy of the gas range. McClary's have banished rust by coating all exposed surfaces with hard baked, black enamel which is as easily washed as a porcelain cup. In addition, all McClary gas ranges may be equipped with white enameled tile or splash backs.

This range is good all the year round for the most exacting kitchen work—wired glass door with thermometer, warming oven and warming shelf.

Clean, cool, comfortable. "Satisfaction," a beautiful well illustrated booklet telling all about McClary's gas appliances will be sent free for the asking.

Owing to the present crisis caused by influenza, the registrar of the College of Pharmacy, W. B. When will it end?

Thousands upon thousands, endless thousands, hold their lives cheap as the price of Victorious Peace.

And we—as we watch from afar their heroic efforts—may we be able to say, that the little we at home could do, we have done;

—that in so far as we could support them, lighten their burdens, bring them comforts, we have done it;

—that we have striven unceasingly to shorten their stay in the Hun-made Hell;

—that freely, fervently, unitedly, we have laid our humble offerings alongside their noble sacrifices on the altar of Victory—and Peace.

Another opportunity to lend your individual weight to the blow that will shorten the war comes with the offering of Victory Bonds about to be made. Let not the privilege to do your share find you unprepared.

Issued by Canada's Victory Loan Committee in co-operation with the Minister of Finance of the Dominion of Canada.
