Ans. 1.—Well, it is good of you to spare me the two questions you mention, so I shall try to give you satisfaction regarding the others. "Mad as a March hare" appears to have a the time. have been used as far back as the time of Henry VII. It appears in a poem written by John Skelton, a poet and satirical writer living 1460-1529. He writes: "March hare should really be brites: "March hare sare wilder in writes: "March hare should really be marsh hare. Jewish Festivals. Dear Miss Grey,-Will you kindly

insert in your columns a list of the Jewish fasts and festivals and date of occurrence and oblige a constant reader, M.E.B., Coldstream. Ans .- The principal feasts and fasts are: The festival of the Passover which occurs in the first month of the

Jewish ecclesiastical year, a time corresponding much to portions of March and April of the Christian year. This feast is also known as the feast eight days when nothing containing leaven enters the house of the Jew. A second feast of importance is that of Pentecost, occurring on the sixth and seventh days of Sivan, which corresponds to parts of May and June. This commemorates the giving of the law to Moses on Mount Sinal, fifty

A second fast is held on the 9th day of Av, the fifth month, in recognition of the completion of

this desolation. The seventh month (Tishrl) of the Jewish ecclesiastical year is the first month of their civil year, and known to us as part of September and October. On the first and second day the festival of the new year is ob-served. On the 15th day of Tishri, the feast of Tabernacles, an important festival in the Jewish year, is celebrated; this continues nine days, the last day being the day of solemn assembly. On the last day of this month, the day

of atonement occurs. In the 12th month of the Jewish year, the festival of Purim is kept.
The month is known as Adar, a period corresponding to February and March of our year.

There are, of course, other feasts and fasts, but these are the mere important ones, I think.

"When I saw sweet Nellie Home," appears to have been a general favorite among the old songs. Copies have been received from. "Grandma Pepper" "Songster," "Hester L," and "J. M. B." Point Edward. The song was asked for by "Blue Eyes" in Friday's issue.

When I Saw Sweet Nellie Home In the sky the bright stars glittered, On the grass the moonlight fell, Hushed the sound of daylight bustle. Closed the pink-eyed pimpernel; As a-down the moss-grown woodpath, Where the cattle love to roam, From Aunt Dinah's quilting party I was seeing Nellie home.

In the sky the bright stars glitter, On the 1 ath the moonlight shone; From aunt Dinah's quilting party, I was seeing Nellie home.

When the autumn tinged the greenwood, Turning all it leaves to gold, In the lawn, by the elders shaded,

I my love to Nellie told, As we stood together gazing On the star-bespangled dome; How I blessed the August evening When I saw sweet Nellie home.

White hairs mingle with my tresses Furrows steal upon my brow, But a love smile cheers and blesses Life's declining moments now; Matron in the snowy kerchief! Closer to my bosom come. Tell me, dost thou still remember When I saw sweet Nellie home?
