Amalgamated Copper lost a point on reports of further pricecutting. Specialties, like Harvester, General Electric, Consolidated Gas, Western Union Telegraph and American Tobacco, lost 1 to 4 points. Sales here for London and Berlin were estimated at fully 20,000 shares, mainly Canadian Pacific, Eries, Steel and Coppers. Aside from the unfavorable foreign news, the authorities reported some clouding of spring wheat and corn prospects. Bonds were heavy.

London, July 24.—Money in increased demand. Discounts firm. The weakness of the continental bourses, following Austria's ultimatum to Servia, caused another depressing day on the stock ex-change. Continental favorites, Canadian Pacific, Rio Tintos. De Beers and Brazilian issues were the weak spots, which closed near the lowest. Consols declined three-sixteenths, but recovered a quarter with other home stocks later on a more hopeful view of the Ulster question. Mexican rails were firm. The market general closed irregular. The American department declined under lead of Canadian Pacific, on realizing and New York selling. The market finished easy.
