

BELYEA, ST. JOHN'S SCULLER REPEATS WIN AT CANADIAN HENLEY

BEATS BOB DIBBLE AT HIS OWN GAME

Nova Scotian Rams Dibble, Who Attempted To Block Him.

ST. CATHARINES, July 30.—Honors were never before as evenly distributed at annual regattas of the Canadian Association of Amateur Oarsmen as at that which closed Saturday evening on the Royal Canadian Henley course, the most successful of the 46 held since the inauguration of the Canadian championship regatta. Each of the fourteen clubs represented earned one or more points, and with but two exceptions, Ottawa, and the Metropolitan Rowing Club of New York, each club carried off at least one championship.

Decidedly unusual was the capture by American clubs of the greater number of the trophies, four going to Detroit, and three to West Side, Buffalo, while the Argonauts of Toronto, who for many years carried off the lion's share of the championships, did not even win a trophy, and this, incidentally, was one of the surprises of the regatta.

Donors of Toronto led competitors in number of points, with Lacine Rowing Club of Montreal, being Detroit and West Side for second place. The Bachelor Club of Philadelphia occupied next position in the grand aggregate of points, with Argonauts and the Niagara District Aquatic Club of St. Catharines tied for next honors. Here is summarized the result as to championships and points:

Saturday's attendance was the largest on record, and the tireless work between finishers were eliminated by a program of stunts by canoeists, fancy divers of both sexes and water comedians.

The planer in which Hiltor Belyea of St. John's reasserted his right to the Canadian single sculler title was positively sensational. Belyea, rowing in No. 1 water, had, up to the first round, no outward indications that he considered the race any more than a trial spin. Dibble was in No. 4 course, and by a dash had at least a 100 yard lead at the start of the race.

Belyea directed his attention to the course of Philadelphia, and John Hiltor of Toronto, who had the inside course, and when they were to pull on the Don oarsman, he drew directly in front of them. Belyea was pulling 36 to the minute, an average only 24, yet he was holding his own with Gilmore and Belyea. The race stroke was about 34. McGuire was beginning to lag into fourth place and Huestis trailing hopelessly behind.

At this point, with the same intensity and lack of outward evidence of concern, Belyea's oars seemed to bite the water with some degree of savagery, but his action was unobtrusive. His shell cut down over a left of the lead with a quarter of a mile still to go. Dibble crossed over to Belyea's water to block him, and give him the wash, with his shell a few feet ahead of Belyea. Dibble realized that he was being blocked, and he began to pull. Looking first over his right shoulder in the direction of the race, and then glancing over his left to make sure of Dibble's position, he realized that if he two shells could be brought together, his course it would count as a foul against the ex-champion. Dibble, however, did not make a move, and Belyea, with more remaining stamina was able to get in the extra stroke that sent him over the mark not more than a few feet ahead, for second place. McGuire, a good fourth, and Huestis was in last place.

MOE HERSCOVITCH GETS RAW DECISION IN N. Y.

NEW YORK, July 30.—Moe Herscovitch, Canadian welterweight champion, last night lost the decision to Tommy McKeeler of New York in a twelve-round bout at the Commonwealth Sporting Club.

Herscovitch carried the fight to his rival in every round, and landed often with his left jab and right hook to the jaw.

In view of his aggressiveness and the clean blows he landed, it was felt by a large number of fans that a draw was the worst decision Herscovitch should have received.
