TRADE, TRAFFIC AND FINANCE

being properly made before the management, or those charged with looking after the same, would receive attention. Already a considerable reduction had been made in the rates from all Okanagan points into the Kootenay country, and shippers there as well as consumers, were now pleased. Sir William and party left to-day for Victoria. They return east

Express trains leave Montreal and Halifa daily (Sunday excepted), and run through without change between these points. The through express train cars of the Inter colonial Railway are brilliantly lighted b electricity, and heated by steam from the loc motive, thus greatly increasing the comfor and safety of travellers. Comfortable and elegant buffet, sleeping and day cars are run on all through express trains. The popular summer sea bathing and fishin resorts of Canada are all along the Inter colonial, or are reached by that route.

Canadian-European Mail and Passenger Route.

Passenger Koute. Passengers for Great Britain or the Con-tinent leaving Montreal SUNDAY MORNING will join outward mail steamers at Rimound THE SAME EVENING. The attention of shippers, is directed to the superior facilities offered by this route for the transport of flour and general merchandise in tended for the Eastern Provinces, Newfound land and the West Indies; also for shipment of grain and produce intended for the Enni-pean markets. Tickets may be obtained and all informatic about the route, also freight and passenger rates, on application to N. WEATHERSTON
