In our various lines, we can with confidence, guarantee good value to We fear no competition, and not having to bear the heavy expenses of a commercial traveller on the road we are enabled to give the benefit of that saving, as it is a well-known fact, that the expenses of selling goods through travellers, adds from five to ten per cent. to the price of

the goods. We therefore invite merchants and traders' outside the City, to call at our warehouse and make their selection from a thoroughly well as sorted stock.

If not convenient to come at times, any orders sent us by Mail, will receive prompt and careful attention.
