Since this decision was made known through the Company's agents in Ontario, a few weeks since, several old policy-holders have availed themselves of tario, a few weeks since, several old policy-holders have availed themselves of the privilege of increasing their investments with the ATNA to the full the privilege of increasing their investments with the ATNA to the full amount allowed. Among the first of these were two first-class business men amount allowed. Among the first of these were two first-class business men who have been members of its Mutual Department for twelve years past, and have thus had the best possible means of knowing the excellence and reliability of the Indemnity against Loss which this company affords.

One of the best methods of selecting a company in which to insure is to note how well satisfied those are who have had experience withit, as shown in note how well satisfied those are who have had experience withit, as shown in the Annial Reports of the Insurance Superintendents. A certain small protect had negligence, inability to pay, &c. In companies which are well-conducted and whose policy-holders value their privileges, very few will surrender their and whose policy-holders value their privileges, very few will surrender their policies until death or maturity ends the contract.

In the following table, compiled from the Government Returns, the percentage of insurance which was surrendered to the companies, or which lapsed from non-payment of prenaturns, is shown. The figures opposite the Canadian and American companies relate to their entire business : opposite old country companies, to their Canadian business only:— M. F. SMITH, V. P.
