Why His Holiness Seeks the Restoration of the His Temporal Power—Prince Bismarck that ing cou Seriousty 11 With Neuralgia-A Hun-of the Irish peo gatian silesti-Robert Browning's Bur-Leamy, M.P., sy Leamy, M.P., s they could ind tal in Westminster-General Cable News. ser

Rous, Dec. 31.—In his allocution yesterday the Pope said: The Italian adversaries of he church persistently continued their war against it, as was made evident by the recent

rances of persons in public positions acthat from ntions regarding the uch of the rulers of Italy. Among their traces of the British Its to the church was the dem The Italian Government, and gold the Action of the Action of Giordano Brue The Italian Government, and to de-tach the people from the church, op-posed the action of the Pope in every way. His Holiness referred to the temporal power as necessary to the inde-pendence and liberty of the Pope in the temporal power as declared that he cemporal pende river. These reports leave Peters' fate doubtful. exercise of his mission, and declared that he did not claim the restoration of the temporal

power from human motives. It was his right and he was required to preserve it intact and transmit it to his successor as one of the inalienable treasures of the Christian faith The new Italian penal code just coming into operation also attacked the just liberty of the has spread until now it numbers 20,000 idle

ted with unseemly haste. This was a fresh op in the endeavor to efface every vestige religion from civil institutions. By this aw all pious establishments were to be sup-pressed or transformed, especially those for the dowering of girls without portions, those the dowering of girls without portions, those regarding girls entering convents and those by which it was provided that masses should be id for the sould of the dead. This law vio-ited the wiskes of the founders of all those charities. Priests were excluded from the were admitted to such benefits. It was argued that charity should be secular in or-der that it might be more acceptable. But, is deed, the unfortunate are too proud somenes to accept Christian charity, and outside the church there is no true charity. Other blows also have been levelled at the church by the invasions of the civil power

forcing itself into sacred things. For a time all these things might embarrass the church out they can never definitely change its
