At a Special Session held at the Court
House, in Saint Andrews, pursuant to Notice
on Wednesday the 27th day of July 1842.
RESOLVED, the opinion of the meeting,
that the general distress prevailing in the
Province, affects this County very materially,
but the Magistrates not having any funds at
their disposal, are unable to grant relief to
individuals who are at present in a state of
distress, they would therefore respectfully
suggest for the consideration of His Excellency,
the great good that would result from the
immediate issuing of the Bye Road and other
Warrants for the County. The expenditure
of which amounts, would greatly alleviate the
suffering that now exists.

AND FURTHER RESOLVED, That no arti-
ficial means in our opinion, will remove the
existing distress, which arises from causes
and circumstances, entirely beyond the con-
trol of this meeting. The heavy burdens
now to be born, in supporting the local Poor,

CEMENT.—Two parts of Ashes, three of
clay, and one of sand; this composition, cal-

It is almost filled with original matter, and
is without doubt the brightest gem in our

is very neat and would be a credit to any
