A partial wetting of a garment is more apt to induce an attack than if the I have the state of store by you, Joanna. the young authoress, gratefully.

And one day, glancing over the exchaning the latter case, it would be certainly ges in the sanctum of the Ladies' Weekly, and speedily exchanged for dry garould scarcely have thought it.

4 And you knew, Joanna,' he added, to whose columns she still contributed, she ments. There are two very certain

'And you knew, Joanna,' he added, to whose columns she still contributed, sne awkwardly, mindful of his mother's drill, came across a copy of the Foxville Gazette.
'when poverty comes in at the door, love the said, hurrying home to the sould his Woodin, 'the parsonage is to be sold whole or in part, change it, or keep in

woodin believed most firmly in whatever cause of rheumatism; for a common

an auction sale at Foxville every day in next the skin. The easiest, most cer-'Joanna,' said she. 'I'm deeply grieved the week.

Squire Barton was there with a vague this troublesome affection wound around Thank you, Mrs. Emmons? said the idea of purchasing the old place for a pub-with several folds of woollen flannel;

sell the old farm. Nothing hasn't Queen Victoria's Round of Duties, 'I have plenty of friends,' said Joanna gone right with us since I broke off with courageously, 'or rather dear grandpapa the old parson's granddaughter. It wasn't the day is fine the Queen drives to quite the source thing to do but there. Frogmere in an open carriage, and there

inflammation of the surface of the joints.

thing to live on 1 And so,' with a final young novelist, until our village damsel rain or water in any other form, about twist, 'we'd better consider it all over. had her pretty 'flat' furnished like a a joint, and allowed to dry while the

Joanna smiled scornfully.

'It seems,' said she, 'that love does not lways wait for that.'

And she turned and walked like a young neen into the adjoining apartment; while like a like a ground with Joanna. Miss would a greed with Joanna. Miss would a greed with Joanna. Miss would neen into the adjoining apartment; while like a like a ground need into the adjoining apartment; while like a like a ground need into the adjoining apartment; while like a like a ground need into the adjoining apartment; while like a ground need in the world.'

Miss Woddin agreed with Joanna. Miss like like a ground need like a ground nee

It's the hardest job o' work that ever I successful young writer was always right, muslin, or linen, or silk shirt of a perdid in my life. Splitting stumps is nothing to it. But mother says it must be done ed in black and closely veiled, went up to bouse!

Foxville to attend the auction sale.

Everybody was there. They didn't have case where woollen flannel is worn tain, and least hurtful way of curing girl, machanically.

It would be attractive, said the squire. live entirely on the lightest kind of food, such as coarse breads, ripe fruits,

A thousand l' uttered the voice of a there is seldom less than twenty, and often more than thirty boxes to be gone through, and a groom is kept constantly riding be-It was not that he had preached the gospel to them for four-and-forty years; it was not that his footsteps had been instant on every threshold where sickness came of sorrow brooded.

All this had been received as a matter of course, and forgotten as soon as the necessities were past.

But it was because Foxville curiosity was on the qui vice about Joanna, his grandled did family tree who was left quite unprovided for.

It declare to goodness, 'said Mrs. Emmons, 'I don't know what is to become of that girl?

She hain't no faculty,' said Sabina Sexton, the village dressmaker; 'and never had.'

Books possessed no charm to her? sighed Miss Dodge, who taught the Foxville district school. 'She always cidel over.'

It was not that he had preached the gos and Mrs. Barton's prayers in this sad visitation of an inscrutable Providence.'

Old Miss Gringe, who had fifty thousand dollars at interest, and who had always declared that she loved dear Joanna Fox had company.

On the qui vice about Joanna, his grandled the grandled district who was left quite unprovided for.

'I declare to goodness,' said Mrs. Emmons, 'I don't know what is to become of the going out to domestic service. There had.'

'She hain't no faculty,' said Sabina Sexton, the village dressmaker; 'and never had.'

'Books possessed no charm to her? sighed Miss Dodge, who taught the Foxville district school. 'She always edid over.'

'I declare to goodness,' said Mrs. Emmons, 'I don't know what is to become of the going out to domestic service. There was a kid-glove factory to be opened on Walling River soon.

'No doubt Miss Fox could get a place that of the place to the place that the could be no objection to the going out to domestic service. There was a kid-glove factory to be opened on the place that she loved data. The lady is the control of the dear of the factor of the dear of the lady is the control. 'Tain't worth that, 'said in the from that, 'aid the quite to the that, 'aid the quite to the castle, and stife to tooking.'

But it was because Foxville th ENGLISH, SCOTCH AND CANADIAN
