# A Souvenir Free

## To Farmer's Wife or Daughter

We prize the many kind things that have been said of Souvenir Ranges by the wives and daughters of Canadian farmers. These stoves are largely in use in the rural sections all over Canada—and there, as elsewhere, have given unqualified satisfaction.

### Souvenir's Place in the Farm Home.

This stove has a distinctive position on the farm. There it is put to severest tests, for in the farm home good cooking is, probably, more general than anywhere else. Those who own these stoves are able to tell of the special advantages possessed in the aerated oven—an exclusive feature of Souvenirs. They know its worth as a fuel-saver and the ease with which it is managed.

We purpose giving a Souvenir Range, complete, value \$40, for the best general description of Souvenirs with aerated oven, written by a farmer's wife or daughter—open to none others.

We will also give \$115 in cash prizes for the first four best descriptive essays on the Souvenirs and their work. These prizes are open to all classes.

We would like YOU to be one who would write in this essay contest. If, perchance, you do not own a Souvenir, your neighbor is almost sure to have one. In any case, write us for booklet, telling specially the story of Souvenir Stoves, and call on the local agent in your nearest town and have him give—as he will gladly do—a description of the special points of this wonderfully successful stove. Circulars giving all particulars of contest free.

**\$155** IN PRIZES  
for those who can best tell the story of the famous SOUVENIR STOVE with unrivalled aerated oven.

The Gurney-Tilden Co., Limited  
HAMILTON, CANADA.

## COMBINATION

This is not a combination of prices but of ideas which we will dispose of at competition prices. This machine is made in three sizes, and will grind as follows per hour:
