

**IMPORTANT MOVEMENT AMONG THE JEWS.**—A great number of Jews have just seceded from the general body, in consequence of the latter placing the rabbinical writings on the same footing as the five books of Moses. These seceders, at head of whom is Sir Isaac Lyon Goldsmid, one of the most influential individuals in the Jewish community, denounce the Talmud as a mass of outrageous absurdities, and are determined to adhere exclusively to the authority of Moses in all religious matters. It is impossible to over estimate the importance of this event. It cannot fail to shake the Jewish system to the very centre; for the recognition of the rabbinical writings as of equal authority with the Pentateuch, has been the great source of all the superstition which exists among the body. There is a remarkable resemblance between this movement and that of Luther and the other reformers in the sixteenth century. The movement is the more important inasmuch as it is the first division which has ever taken place among the Jews, on any of the essentials of their religion. These Jewish dissenters have taken the place in Birton street formerly occupied by the Owenites, which they have converted into a synagogue, where they now worship Jehovah in accordance with their newly-acquired lights, under the designation of "the Reformed Jews" Who knows but that this may be the first step of Providence for paving the way for the conversion of the Jews?—*Lights and Shadows of London Life.*

**TO THE READERS OF THE CATHOLIC.**

WE take this opportunity to express our grateful thanks to our Rev. and dear brethren for their zealous endeavours to promote the circulation of our paper among their people. Some, to be sure, have not been so successful as others; but all, we doubt not have done what they could, to keep our Catholic afloat, the first, the only English periodical ever edited in the Canadas in defence of our holy religion; nay, the only one ever edited in this country in any language for so necessary a purpose, except that excellent paper in French, the "Melanges Religieux," lately published in Montreal. Our outlay however is great, not less in the year than some thousand dollars. Any thing above the sum required will be at our own disposal; and will be exclusively applied towards liquidating the debt contracted in finishing our Church here; in the purchase of two lots; and the erection of our Presbytery upon them, so as to leave our people here, in this important place, in the full and free enjoyment for ever of the conveniences of their religion. We should hope therefore that no true Catholic will begrudge lending what support he can towards so meritorious a purpose. Should it happen otherwise, and that we are left in the lurch, as we have been on a former occasion; what an everlasting reproach it would be to our people in all the Canadas, that they would not support one single weekly periodical, engaged in refuting the calumnies and mis-representations of the religious Protestant press; and of shewing the purity of our doctrines to the prejudiced and mis-directed multitude. If so, we need not wonder and complain that we are looked upon as monsters by those who for more than three centuries have been taught to consider us as such; or that, as the Apostles says, "the way of truth should be evil spoken of;" 2 PET. ii. 2.

His former experience in the wine and spirit trade enables him to select the best articles for his Bar that the Market affords; and it is admitted by all who have patronized his establishment, that his stabling and sheds are superior to any thing of the kind attached to a public Inn, in the District of Gore.
