

THE CANADIAN FAMILY HERALD.

Stand forth and hold up your head, wee chap, for you have nothing to be ashamed of! We have carefully inspected the contents of your literary park, and certify unhesitatingly that they are of an exceedingly respectable description. The dimensions of our small brother, are not very gigantic, it is true, but like a roasted maggot, his sweetness is not to be measured by his bulk—and it would not be easy to specify a guest whose visits to the family circle ought to be more heartily welcomed than the *Herald*. The annual assessment for the journal is only five shillings, dog cheap in all conscience, even in these dinky times.—*Streetville Review*.

THE CANADIAN FAMILY HERALD. It is refreshing to us from politics, and contemplate something which is not contaminated with its jarring influence. To such as may require so pleasing a variation, we can recommend *The Canadian Family Herald*, a neat and well conducted literary journal, published at Toronto.—*Kent Advertiser*.

THE CANADIAN FAMILY HERALD.—This is the title of a New Publication, conducted by Mr. D. McDougall, of Toronto. The first five numbers have been sent to this office, with the arrangement of which we are much pleased. The Publication is purely of a literary character, consequently the *Herald* offers a favourable opportunity for every family being supplied with an instructive weekly spare-time companion. The price is only 6s. per year. The Work is published in a form suitable for binding.—*Droeville Recorder*.

NEW PAPER.—A new weekly periodical has been commenced in this city, called "The Canadian Family Herald." It is a neatly printed sheet, in the quarto form, and is to be devoted to Literature, Science, Art, and Agriculture, and promises to be a valuable addition to our periodical literature.—*Christian Guardian*.
