Subscriptions for the new club year, beginning with this number of the NATURALIST, are now due, and should be paid to the Treasurer as soon as possible.

The Treasurer would direct attention to the advertisements in our new volume. Some of these appear for the first time, and members are specially asked to remember these different firms when making purchases. They are all good reliable firms, and, as they are helping the Club by giving advertisements, we should all make it a point to deal with them.
