WE have received the annual report of the York Law Association, and an account of the proceedings at their annual meeting held recently, but want of space compels us to hold it over until our next issue.

---

SIR CHARLES HIBBERT TUPPER, Q.C., Minister of Justice and Attorney-General for the Dominion of Canada, was, on the 8th inst., introduced to the Bench of the Law Society, and presented to the High Court of Justice (Common Pleas Division), by Christopher Robinson, Q.C., and Frank MacKelcan, Q.C.; and was on that occasion sworn in and enrolled as a barrister-at-law. The Bar of Ontario welcome to their membership the eminent representative of the Bar of Nova Scotia.

THE deplorable accident on the Grand Trunk Railway which occurred on the 8th inst. has evoked universal sympathy for those who suffered thereby. Whilst the profession mourns the loss of one of its members, and of one who was identified with us as an official stenographer, and who bore the good will and respect of all, we thankfully record the preservation from sudden death of Mr. Justice Burton and Mr. Justice Osler, as well as of two leaders of the Bar, Mr. Osler, Q.C., and Mr. Aylesworth, Q.C., who were occupants of the same car in which Mr. Frank Joseph and Mr. Monahan came to an untimely end.
