The catholic Seminary, Liege, Belgium ST. PAULES CATHOLIC TRUTH SOCIETY.

The members of St. Paul's Catholic Truth octety are to be congratulated on 1 success of their first "At Home" which was held on the evening of the 23rd utc. in St. Anno's Hall, Fower street. This Branch of the Scalety has only been established for about three months and the objects of the pleasant social function alladed to were to make the members better acquainted with each other so that they may co-operate in the good work of spreading Catholic truth, and to induce others to Join the Society. The "At Home" assumed the form of a progressive cuchro party in which some twenty-five couples took part. Prices were awarded, refreshments partaken of and a short musical programme rendered, after which the Roy. Father Cline, the Chaplahn of the Society, expressed his pleasure at seeing so many active members present and hoped that the meeting would only be the first of a series of other meetings devoted to mutual improvement sociability and the good work of spreading Catholic truth, All prevent expressed their pleasureand satisfraction at the overlings proceedings.

We regret to chronic; the death of Mr. Patrick Walsh, which cocurred in Quebec on the 18th uit. The deceased had reached the ribe age of 80 years, 60 of which had been passed in the 'Rock City.' Mr. Walch was, during his long life, a thoroughly practical Catholic and a warm-hearted, generous Irlehman. Our contemporary, the Telegraph, alluding to the obsequies, says: The funeral of the late Patrick Walsh took place this morning from his late residence, Champhan street, and was largely attended, the Ship Larborers' Benevolent Society being strongly represented, especially by the monthers of No. 1 Section. At the chirtch, Rev. Father McCarthy received the body and officiated at the service, at the conclusion of which the remains were borne to St. Patrick's exactory, where the last prayers were read over them by Rev. Father Gutberlet, preparatory to the'r being consigned to the'r last resting place.
