NOW READY. SABBATH SCHOOL REGISTERS AND RECORDS,

Sabbath School Committee of the General Assembly of the Presbyterian Church in Canada.

The Committee, recognizing the importance of the facts that while there are about 1,000 places at which the gospel is regularly preached, last year, by Presbyterian ministers in Canada, there were reports from only 977 Sabbath Schools, and of that number only 424 are reported as having contributed anything to the missionary schemes of the Church, have recently given much attention to the matter of recording and reporting the work done in the Sabbath Schools. The average contribution from all the children of the Church during last year was only 16 cents. These facts show that a great deal has yet to be done to bring our Sabbath School system into a thorough condition of efficiency. To attain this end, the Assembly's Committee has prepared a series of Records and Reports which are recommended for use by Sabbath Schools and Presbyteries, the adoption of which, it is hoped, will be productive of good results. The following is a description of them, with the prices for which they may be obtained:—

- 1. 'The Sabbath School Class Register,' for use by the Teacher, containing recording columns for a whole year. The names and addresses of the children require to be written only once during the year. Price, 15 cents. 2. 'The Sabbath School Record,' for use by the Superintendent or Secretary. This Record, to be filled up each Sabbath from the Teachers' 'Class Register,' has columns to correspond with those of the 'Class Register,' in which a permanent record is kept of the School Attendance, Recitation, Church Attendance and Contributions of all classes. And from this 'Record' the Quarterly and Annual Reports are to be filled up. Price, for a book to last one year, in paper covers, 25 cents; quarter bound, 50 cents. 3. 'The Quarterly and Annual Sabbath School Summary and Report,' to be filled up from the preceding at the end of the quarter and the year. This will show, at a glance, the statistics and results of each quarter and the whole year. It consists of two parts: a Summary to be retained in the School, and a Report to be torn off at the end of each quarter and of the year, and sent to the Co-ordinator of the S. S. Committee of the Presbytery in which the School is situated. The work of reporting, by the adoption of this system, will go on during the whole year, and the Presbytery's Co-ordinator thus be in constant communication with all the Schools. Price of this Summary and Report in a book to last four years, in paper covers, 25 cents; quarter bound, 40 cents. 4. 'The Sabbath School Register and Quarterly Record,' to be used by the Co-ordinator of the Presbytery's S. S. Committee. This contains columns in which the names of all the Schools of the Presbytery, with the names and addresses of the superintendents, and the Quarterly and Annual Reports may be registered; and it will afford the materials from which the Presbytery's Annual Report to the Synod and Assembly may be prepared. The price of this, in a book to last for nine years (i. e., in those Presbyteries where one page will contain all the Schools) will be quarter bound, \$1.25; half bound, \$1.75. N.B.—To Schools ordering a set, a discount of ten per cent. will be allowed. This system does not claim to be perfect, and suggestions for its improvement will be gladly received by the Assembly's Committee (Rev. Dr. James, Brockville, Co-ordinator).
