

MUNICIPAL ENGINEERS, CONTRACTORS AND MATERIALS

Thomas Lidstone and Alphonse Boileau have formed partnership in Montreal as builders, under the firm name of Lidstone, Boileau & Co.

According to report, the council of the town of Welland, Ont., has brought trouble upon itself by proceeding with the building of a sewer without serving notices of assessment upon the owners of the properties affected. The property owners have secured an injunction against the by-law authorizing the building of the sewer, and if the matter is pushed the councillors will probably be held personally liable for spending money without legal warrant.

To Municipal Authorities, Engineers and Others

Owing to the excellent reputation which our "STAR" Brand of Portland Cement has acquired, and which trade mark is protected by government registration at Ottawa, foreign manufacturers have been sending cements into Canada under the name of "Star," which we believe to be inferior in quality, weight per barrel, etc., to our goods; hence, to ensure the use of the genuine article, we respectfully suggest that in framing specifications you be careful to see that RATHBUN'S "STAR" BRAND is specified and used. We guarantee it.
