GOOD PAY TO AGENTS IN EVERY CONGRECATION

CLUB RATES.

THE BRITISH AMERICAN PRESBYTERIAN has not yet reached a paying point, although it has been received with a good deal of favour, and, if we may judge from frequent expressions of approval, has given very general satisfaction. There is no good reason why we should not com sence the third volume-1st February next-with at least 3,000 New Subscribers, an average of ten new names from every Congregation of the Church will more than accomplish the object we have in view, and will enable us to continue our work with increased vigor, freed from financial responsibilities which are at present onerous and pressing. In order to this end let no time be lost in commencing a special canvass in every locality. There is a wide field in which to labour. In many congregations, we have yet only one or two subscribers, and where there should be one hundred we have only twenty or thirty names.
