### The Land We Live In.

Stagnation is the horror of any one engaged in trade. It's the nimble six pence which brings the profits and few of our business men are aware of how much they lose by failing to keep their wares and business, prominently before the public. Hotel-Keepers could secure a great deal of the Tourist and Sportsmen patronage by advertising in this journal, and directing special attention to the scenery and natural advantages of their respective localities.

### Illustrated Advertisements a Specialty.
