

beneficent course unchecked by that false humanitarianism which was kind only to be cruel.

The Canadian members of the medical profession who have been attending the International Medical Congress at a meeting held at the Imperial Institute on Tuesday morning, August 12th, unanimously passed the following resolutions:

Moved by J. T. Fotheringham, Toronto, seconded by J. M. Elder, Montreal.

"That we wish to offer to the President, Sir Thomas Barlow, to the Secretary, Dr. W. P. Herringham, and to the whole committee our hearty congratulations upon the great success which this meeting of the congress has attained under their kindly and able administration. But particularly as members of the great British family do we desire to express the sense of familiar, homely intimacy which is felt by all of us, enhanced as it is by the presence of so brilliant a gathering of the savants of other climes and races. For, as Canadians, revisiting the Motherland *coelum non animum mutamus*, we deeply appreciate the real significance of the idea expressed by His Royal Highness Prince Arthur of Connaught in his gracious address of welcome, that all of us of the Empire stood together as hosts to all the rest of those attending. We noted with pleasure the repetition of this idea by the President in his address.

On behalf of the Canadian ladies, we wish to thank the committee of ladies here for the profuse and well-ordered hospitality shown by them, and the many arrangements made for the comfort and entertainment of our wives and daughters.

"And as we part, each to his own work across the seas, we beg to offer all our kind hosts and friends in London our cordial felicitations, thanks and good wishes."

Moved by Dr. Jas. Third, Kingston, seconded by Dr. A. A. Reeve, Toronto.

"That the thanks of the Canadian Section of the International Medical Congress be tendered Dr. W. H. B. Aikins, Toronto, for his able services as Secretary of the Canadian National Committee during seven years and member of the Executive Committee of the Seventeenth International Medical Congress."

Moved by Dr. H. A. Bruce, Toronto, seconded by Dr. H. J. Hamilton, Toronto.

"That the Organizing Committee for Canada for the Eighteenth International Medical Congress to be held in 1917 be constituted as follows: Chairman, Dr. W. H. B. Aikins; Secretary, Dr. H. B. Anderson; the Deans of the medical faculties of the Canadian universities and the Presidents of the Canadian Medical Association for the years 1916 and 1917, with power to add to their numbers."
