For a Lifetime of Musical Happiness

WHAT wedding gift could be more appropriate? With the many Columbia models it is so easy to find exactly the right instrument for the new home.

Cabinets of exquisite beauty. Pure, unmuffled richness of tone. And last, but by no means least, the new Grafonola models are equipped with the Columbia Non-Set Automatic Stop, the only automatic stop that requires absolutely no setting.

Invisible, built right into the motor, it operates on any record, long or short. There is nothing to move or set or measure. Just put on your record and listen to the music.

To make a good record great, play it on the Columbia Grafonola
