THE EYE OF THE CAPITALIST  
DIRECTED TO : : : **CUBA**

If you would secure health, wealth and comfort,  
locate in Cuba.

Buy Cuban lands for a profitable investment.

The show-place of the world for orange cultivation and other fruits.

A ten-acre farm of good land cultivated in Cuba will return more than one hundred acres in almost any other country.

We have the best of land, examined and passed upon by most conservative and reliable investors.

Call or write for booklet and all information.
