

(2)¹ [*Individual Designation Fee*] Any Contracting Party whose Office is an Examining Office and any Contracting Party that is an intergovernmental organization may, in a declaration, notify the Director General that, in connection with any international application in which it is designated, and in connection with the renewal of any international registration resulting from such an international application, the prescribed designation fee referred to in paragraph (1) shall be replaced by an individual designation fee, whose amount shall be indicated in the declaration and can be changed in further declarations. The said amount may be fixed by the said Contracting Party for the initial term of protection and for each term of renewal or for the maximum period of protection allowed by the Contracting Party concerned. However, it may not be higher than the equivalent of the amount which the Office of that Contracting Party would be entitled to receive from an applicant for a grant of protection for an equivalent period to the same number of industrial designs, that amount being diminished by the savings resulting from the international procedure.

(3) [*Transfer of Designation Fees*] The designation fees referred to in paragraphs (1) and (2) shall be transferred by the International Bureau to the Contracting Parties in respect of which those fees were paid.

Article 8

Correction of Irregularities

(1) [*Examination of the International Application*] If the International Bureau finds that the international application does not, at the time of its receipt by the International Bureau, fulfill the requirements of this Act and the Regulations, it shall invite the applicant to make the required corrections within the prescribed time limit.

ⁱ [WIPO Note]: Recommendation adopted by the Assembly of the Hague Union:

“Contracting Parties that make, or that have made, a declaration under Article 7(2) of the 1999 Act or under Rule 36(1) of the Common Regulations are encouraged to indicate, in that declaration or in a new declaration, that for international applications filed by applicants whose sole entitlement is a connection with a Least Developed Country, in accordance with the list established by the United Nations, or with an intergovernmental organization the majority of whose member States are Least Developed Countries, the individual fee payable with respect to their designation is reduced to 10% of the fixed amount (rounded, where appropriate, to the nearest full figure). Those Contracting Parties are further encouraged to indicate that the reduction also applies in respect of an international application filed by an applicant whose entitlement is not solely a connection with such an intergovernmental organization, provided that any other entitlement of the applicant is a connection with a Contracting Party which is a Least Developed Country or, if not a Least Developed Country, is a member State of that intergovernmental organization and the international application is governed exclusively by the 1999 Act.”
