

Every candidate for a Scholarship is required to furnish to the Committee of Selection for his Province, not later than the 25th of November, the following :—

- (a) A certificate of age.
- (b) A written statement from the President or Acting President of his College or University to the effect that his application as a suitable candidate is approved.
- (c) Certified evidence as to the courses of study pursued by the Scholar at his University, and as to his gradings in those courses. This evidence should be signed by the Registrar, or other responsible official, of his University.
- (d) A brief statement by himself of his athletic and general activities and interests at College, and of his proposed line of study at Oxford.
- (e) Not more than four testimonials from persons well acquainted with him.
- (f) References to four other responsible persons, whose addresses must be given in full, and of whom two at least must be professors under whom he has studied.

In each Province there will be a Committee of Selection, in whose hands the nomination will rest.

It is in the power of the Committee of Selection to summon to a personal interview such of the candidates as they find it desirable to see, and, save under exceptional circumstances, no Scholar will be elected without such an interview. Where such an interview is dispensed with, a written statement of the reasons will be submitted to the Trustees.

The Scholarships are of the value of £300 a year, and are tenable for three years, subject to the continued approval of the College at Oxford of which the Scholar is a member. They will be paid quarterly. The first payment (£75) will be made at the beginning of the Scholar's first term at Oxford. No request for any earlier payment can be considered.

INSTRUCTIONS TO SCHOLARS ELECT.

1. In order to be admitted to the University of Oxford, it is necessary first to be accepted as a member of one of the Colleges which compose the University.

Election to a Rhodes Scholarship does not of itself admit to a College. Every College has its own standard for admission, for Rhodes Scholars as for all other applicants, and accepts or rejects at its own discretion. Moreover, the number of Rhodes Scholars which any one College will admit is strictly limited. In the great majority of cases four is the maximum.
