

A Gift Combining Luxurious Beauty and Everyday Utility

De Sancy

NOTHING receives so much close inspection and appraisal as the Wedding Present—not only by the Bride and Groom themselves—but by all the guests.

HOLMES & EDWARDS Silverware is welcome as a practical, sensible gift of course. But in addition it possesses that exclusive, exquisite beauty and superlative quality which set it apart—a gift delightfully distinctive and everlastingly prized.

HOLMES & EDWARDS is the highest quality Silverware made. It is superior in craftsmanship and finish. And it is **protected** at the wear points.

Your Jeweller has an interesting showing of suitable presentations—in those dignified, pleasing patterns which convey an inexpressible touch of refinement.

"Silver Inlaid"

(Set of six teaspoons, \$4.75)

On the back of the bowl and handle—just where the wear comes—a piece of pure silver is welded in. Because of this protection the even beauty of Holmes & Edwards Silverware is not marred by use. Made only in five pieces—those most frequently used.

"Super Plate"

(Set of six teaspoons, \$4.00)

Holmes & Edwards Super-Plate is protected at the wear points including the tip of the bowl, by an *extra* heavy coat of silver. This double plating means added service and satisfaction.
