THE HOME LOVERS' CLUB

Extension of Membership—Wedding Guests Now Included

The near friends of Bride and Groom usually consider the needs of the newly weds, and provide them with useful, practical presents of Furniture, Rugs, Silverware and the like. This year, June Brides will welcome an extension of the group of "intimate friends," and will be glad if a large number of their presents are of the useful kind.

Everybody directly or remotely interested in June Weddings should JOIN THE HOME LOVERS' CLUB, and share in the wonderful provision we've made for beginners in housekeeping.

With beginners' luck, you have chosen the right time to furnish the home, because this month you can get the close cash prices we name on artistic furnishings extended over into next year without a cent of extra charge for interest. Our Club plan has kept Canadian workmen in furniture factories busy all spring, and the manufacturers have given us extra good values. To these we have added a clearance of Furniture samples, replicas of celebrated Grand Rapids designs. Read the following carefully:
