LOOK TO YOUR HAIR.

If your hair is coming out, turning gray, or if Dandruff is making its appearance, you can rely that it is a sign of coming decay. Look to it at once before the roots entirely perish. Buy a bottle of

DR. DORENWEND'S
GERMAN

"HAIR MAGIC"

And use it as per directions and you will find it will do you a world of good. This great preparation has proved a boon to thousands of persons. Many owe their luxuriant locks to "**Hair Magic**."—Consider. Is it worth your while to try it, or will you let your hair go and become prematurely old? "**Hair Magic**" will restore gray hair, remove Dandruff, promote the growth of the hair, and in cases of baldness will (where the roots are not gone) encourage a fine growth.

You should use it. For sale by all **Druggists everywhere.**
