

OTTAWA has 19 Federal Government Buildings valued at \$22,675,000, giving employment to 4,895 people, and distributes about \$5,000,000 annually through payrolls—a PERMANENT ASSET—which no other city in Canada enjoys, an Asset that is in no wise jeopardized by whatever unfavorable condition may arise and prevail in other cities or districts in Canada.

OTTAWA, CANADA.—Major Hill Park, Rideau Locks, Parliament Hill, from Nepean Point
