THE WAY OF THE FISHERMAN. It is Made Hard for Him When He Has a Big Story to Tell.

"A fisherman who was worming for trout on the Ythan," says a writer in Baily's Magazine, "had just laid his rod down to visit his sandwich box, when, without warning, it suddenly rose in the air and soared away like a Bleriot biplane over Esslemond Woods, "For one wild moment he thought there were visions about, but the explanation was soon apparent. To regain her necklace Mrs. Adriance was compelled to pay the full foreign value of the jewels about \$8000, in addition to the duty, which was about \$4000 more. These amounts, together with the \$8000 originally paid for the necklace, the \$5000 fine and counsel fees, make the total cost of the necklace more than \$25,000.

Mrs. Theodore P. Shontz, wife of the president of the Interborough Rapid Transit Company, from whom jewels worth \$30,000 were taken when she arrived from Europe last week, was too lil to appear for a hearing to-day. Mr. Shontz told Collector Loeb that his wife did not believe the sems

INCIDENT NOT YET DEAD Arthur Hawkes Aroused by Empire President's Apology.

Arthur Hawkes returned from Hali fax yesterday morning. He does not drop, and stated emphatically that he did not intend to lie down under the imputation that the club had apologised to Bishop DuMoulin for his recent remarks. President Castell Hopkins had written to the bishop to the effect that Mr. Hawkes had spoken from a newspaper report and not from the actual statement of his lordehip that "suffragets had been bitten by rats." In answer to this Mr. Hawkes declared he heard the bishop use the words and simply fortified himself with the newspaper report. Yesterday morning he telephoned an evening paper office and was informed that the extract of the bishop's speech in question was obtained, not from the paper's own reporter, but from the report of the club's official stenographer, as the paper in question had been anxious that there should be no mistake about it. Mr. Hawkes says he asked Mr. Hopkins for the official report ten days ago but lrop, and stated emphatically that he the official report ten days ago, but so far has not received a copy. The incident may be discussed at to-day's special luncheon of the club, as Mr. Hawkes intimated last night that he would bring up the question of privilege.

All the stolen money was recovered except \$5 spent for boots and skates.

Inspector Miller was detailed to the burglary on Sunday and was informed that the money had been stolen durin the rush hours of Saturday, when probably a dozen persons were in the store. As Mr. Larkin was able to recall those present, the detective by a process of examination and elimination, was enabled to finally put it up to young Ezard, who admitted it.

The senior Ezard was brought to Toronto Jall to await the arrival of an officer from the west.

No Coffee Headaches

Dalton's French Drip Coffee is a certain cure for coffee headaches, coffee indigestion, coffee sleeplessness. Ordinary coffee causes these troubles because it is unwholesome. Around the coffee bean is a tough coat or shell containing tannic acid and other bitter substances. When ordinary coffee is roasted and ground, this shell is ground up too, and stewed in the cup of coffee you drink.

It is not the coffee—but the tannic acid and other bitter substances, that cause coffee headaches, etc.

Dalton's French Drip Coffee proves this. People, who do not dare drink ordinary coffee, can drink Dalton's for Here's the secret.
