

## THE "LARGE" AND THE "SMALL" OF IT

The "value" to the smoker is "large"—the "profit" to the dealer is "small."

The dealer is willing to pay more for DAVIS' "PERFECTION" than for any other 10c cigar, because "PERFECTION" costs more to produce.

## "PERFECTION" IS BETTER

and that is why it costs more. It is a blend of the world's choicest tobaccos, and is manufactured by a firm whose cigars have been famous for more than fifty years.

We say "PERFECTION" IS BETTER THAN THE REST.

One trial will prove the assertion.

## VERNON MCKINNEY LANDS \$3000 CLEVELAND STAKE

Bookmaking Goes on Unmolested at Grand Circuit Races in Ohio.

CLEVELAND, Aug. 7.—The opening of the Grand Circuit races at North Randall track today was marred by the inactivity of the champion gelding, owned by C. H. G. Billings of New York, to make his scheduled attempt to break the world's trotting record to wagon of two minutes flat, made by Lou Dillon at Memphis, Tenn., on Oct. 3, 1893. Light showers that fell during the afternoon, combined with a stiff breeze, that swept up the stretch, caused a postponement of the attempt. It will be made to-morrow if the track is in condition.

The big crowd of racing patrons on hand saw some fine sport, notwithstanding the rain. The 212 pace for the Edwards Stake of \$3000 produced very fast time, considering the state of the track, which was not wholly recovered from heavy rain. Vernon McKinney, winner of the Chamber of Commerce Stake at Detroit last week, was favored and fulfilled expectations by capturing the event. He broke badly in the first heat, finishing fifth, but came back strong in the succeeding heats and won easily. Brannan Baughman, expected to give him a hard tussle, acted badly and finished outside the money.

Three preliminaries were trotted for the Tavern Stake race, which will be held Friday. In the first preliminary, Argot Hal had an easy time, taking the event in two straight heats, but the second heat was so close that the judges were disappointed by breaking in the second heat, after winning the first heat. The second heat was so close that the judges were disappointed by breaking in the second heat, after winning the first heat.

In the third preliminary, Morn was defeated by Robert Milroy. Morn was defeated by Robert Milroy. Morn was defeated by Robert Milroy.

Winners of first and second money in all the winners in the third preliminary will take part in the stake event Friday. It was announced that an attempt will be made to interfere with betting on the race. Summary:

Record Crowd Accepts Short Odds For Eight Races on the Holiday.
