We'd just like to remind you the AIR RIFLES are making many new friends for us. Its a real pleasure to us to know that the boys appreciate our efforts to please them. If you haven't been in yet with mother for a suit or Top Coat do so as soon as possible. We anticipate that we will be able to get a supply of the rifles, sufficient for three or four weeks more but not for much longer—you know how we do it, with every \$5.00 suit or top coat and over.
