equally divided which is payable directly to Mrs. Barwick.

As there was no will, one third of the estate as probated is payable to Mrs. Barwick, and two-thirds divided equally among the three children. Mrs. Ewart Osborne, Miss Muriel Barwick and Hugh Barwick, also claim has been made against the railway for a large sum.

WHY THE BEST FOR THE WEIT.

Western Folks Find the Best is the Most Economical. "The freight on each pair of shoes from Montreal costs me 27 cents," said a shoe dealer in a town in the Of course he expects to Far West. Of course he expects to save the 7 cents when new railroads get into the country, roads which do not pay dividends on soggy stock-Transportation in the West is expen-

But the point is that the freight on a pair of cheap shoes is just as high as on a pair of Slater Shoes, and the added cost to the cheap shoes helps make the Slater Shoes relatively This is one good reason why cheaper. they will only have the best in the West. For the best costs no more in the costly problem of transportation.

FUSION IN NEBRASKA.

and that Great Britain was discussing the question with other powers.

"What Great Britain suggests is that before the powers agree to an increase in the customs they get assurances that Turkey will devote the revenue obtained from the increase to reforms in Macedonia."

The official further explained that the recent attacks on Greeks in Bulgaria were reprisals for attacks upon Bulgarians by Greek bands in Macedonia.

Money Goes to China.

Of an estate of \$30 358.75 left by and that until order is restored there. three railway commissioners.

Several members of the British M cal Association arrived at Boston y terday, on the steamer Saxonia, in the party were Dr. W. Halberton, cf. King's College, London, and Dr. F. W. Mott, a director of the London County Council Asylum Laboratory,
