A well-known Mining Expert, who has spent several months in the Rat Portage and Wahnapitae Mining Districts, says: "The Klondike is not a patch on these gold fields of Northern Ontario. It is a beautiful, free-milling ore, of a high assay, and

even the low-grade ores return large profits."

The Gold Cliff Company propose to make a mill-run test of a quantity of this ore at an adjacent quartz mill, and for this purpose a limited number of the shares of the treasury stock are offered in blocks of 1000 shares, each at 5 cents per share.
