those who were then its most violent

Mr. Ross has the confidence of the Governor at the present moment. His does the National Control of the present moment. His can hold office and call the legislature, or he could go so far as to ask the Governor to dissolve the legislature, or he could ago so far as to ask the Governor to dissolve the legislature, and could recommend the Governor to send for actile at Chicago average from the declared he knew nothing of it he man says that the difference is to prices paid for cattle at Toronto. And since then several reasons for the declared he knew nothing of it he was within 500 yards of the victure's the discrepancy have been advanced. One man says that the difference is to the prophe, and when such an appeal takes place there is no doub that Chicago cattle bring better values a college that he will be returned by a large majority. Mr. Ross, if the appealed to the country, would come back with still fewer followers; so that when anybody argues that both side are about equal he is not arguing of fact, but on misleading ideas. There is no equality as regards strength between the two parties, and a new election would easily settle that present a control and and of Norfolk and Suffolk and the agove suffolk and suffolk and su
