

REPORT OF THE Young People's Society of Christian Endeavor

In presenting this our annual report it is with great pleasure we note an increase of thirteen new members during the year, who we trust will be of great service in our work in this congregation. One of our members, Mr. Thos. Meston, was removed by death. Although not enjoying good health he did much for the good of our society and the Church.

We are pleased to report a very prosperous year in mission work, both home and foreign. In city work we have spent \$50.00 including a donation of \$10.00 in cash from the Sabbath School Association, and \$15.00 worth of groceries collected at last Children's Anniversary, which, with various articles of clothing donated by different members of the congregation, helped to relieve about 60 families.

At Christmas we made a special effort to give cheer to the poor, which resulted in eleven orders for groceries and a number of games and toys for children, which were very gladly received. Besides this we have collected \$12.00, of which \$7.00 went to the Klondike Mission Fund, and \$5.00 to Foreign Missions.

We have also to report a good year's work in collecting and distributing books and papers for outlying districts:—A number of books were sent to the North West to assist in forming a S. S. library, besides which we subscribe for a children's paper for another school, and a religious paper for one of our city hotels, also a number of periodicals are regularly sent out to lumber camps at Hastings, Huntsville, and to the Aberdeen Association.

Flowers have been placed upon the pulpit during the year and afterwards distributed to the sick in the congregation, by whom they have been very much appreciated.
