

In the past session, 37 partial "exemptions from fees" were given to students, in some cases in competition, in others as Benefactors' Scholarships and as aids to Theological colleges. These have been given principally to students from the country. Having regard to the financial condition of the University, the Governors thought it right recently to pass a resolution enacting that all such "exemptions from fees" shall henceforward cease. It is hoped that in time to come their place may be taken by an increased number of Scholarships awarded as the result of a general competition among the schools of the Province and Dominion.

At the September Entrance Examinations in Arts, 5 such Scholarships, 8 Exhibitions, and 2 Bursaries were awarded, varying in value from \$125 to \$100, for the two former, and half this amount for the Bursaries. They are the gifts of Sir Donald A. Smith, Mr. W. C. McDonald, Mr. Hague, the late Major Mills, and Mrs. Jane Redpath.

In Applied Science, the British Association Exhibition of \$50 and other prizes, were awarded.

A prize of \$50 was offered by the Ottawa Valley Graduates' Society to the candidate taking the highest marks in the Matriculation Examinations in that section of the Dominion, and was awarded to a student in the Faculty of Arts.
