ZELAYA ISSUES A MANIFESTO

Managua, Dec. 22—Ex-President Zelaya issued a manifesto today declaring that his surrender of the presidency was caused by a desire to save Nicaragua the humiliation of outrages threatened by a powerful foreign nation, which was now inaugurating a decisive influence over the destiny of Nicaragua. Because of his resistance to the imposition of tutelage which was the fore runner of the conversion of the Latin nations on this continent into dependencies of the United States, he incurred the hatred of that government and when the defeat of the revolutionists appeared certain, the United States government inexplicably severad relations with Nicaragua through Secretary Knox's letter to the charge d'affaires. He protested before the world against the meddling by the United States and the threat to land marines.

PEARY TALKS OF SOUTH POLAR TRIP

New York, Dec. 22—Commander Peary very strongly intimated tonight in a speech at the banquet of the New England Society that the expedition which he led successfully to the North Pole might also try for the South Pole.

New York, Dec. 22—The members of the Arctic Club of America, at a meeting tonight adopted a resolution to refer the question of further membership of Dr. Frederick A. Cook to the board of directors with power to act. It was said that charges would be preferred against Dr. Cook by some of the members and presented to the directors for consideration.

Cook is a member of the executive committee of the club.

LIBERALS WIN AND GAIN IN LUNENBURG

Lunenburg, N. S., Dec. 22—The by-election for the House of Commons for Lunenburg to fill the vacancy caused by the resignation of A. K. MacLean, who became attorney general of Nova Scotia, came off today.

J. D. Sperry (Liberal) was elected with a majority of 266 over Dr. C. S. Marshall. MacLean's majority in the federal general election was 201, so the Sperry vote shows a distinct Liberal gain.

HAPPENINGS IN UNCLE SAM'S TERRITORY

London, Ky., Dec. 22—A triple murder and suicide occurred at Pittsburg (Ky.), a mining village, today, when William Murray, a miner, shot and killed his wife and her mother, and Albert Cole and himself. Murray's objections to the alleged attentions of Cole to Mrs. Murray are given as the cause.

ST. JOSEPH'S UNIVERSITY

At the closing of St. Joseph's University on Tuesday evening a very interesting programme was carried out. Previous to an entertainment given by the members of the Bi-lingual Society, two addresses, one in English and the other in French, were presented to the Rev. Dr. Guertin, superior of the university. Urban Sweeney '10, read the English address, and Leonce Plante '10, read the one in French. The addresses conveyed to the Rev. Superior and the faculty under his charge, the best wishes of the students for a happy and prosperous New Year.

Dr. Guertin responded feelingly, thanking the students for their kind words, and concluded by giving them some sound advice on "how a student should conduct himself during vacation times."

The entertainment given by the Bilingual Society consisted of the following programme: Speeches in French by Messrs. Ultican, Doherty and Asselins. Speeches in English by Messrs. LeBlanc, Dairon and Plante. Declarations by Joseph LeBlanc and Leonce Plante.

The fact that each of these students spoke in a tongue that was not his own, made the programme of an unusually interesting nature.

The following St. John students arrived in the city last evening to spend their Christmas vacation: Leo. Doherty, John Nugent, Urban Sweeney, Frank Cronin, Edward Hennebery, Stephen Ritchie, Fred McGuire, Charlie McHugh, Harry Ramage, Arthur Allen, and Joseph Donevan.

Bermuda is becoming a greater winter resort each season. It is expected that the present winter's travel will be worth $1,500,000 to the island. The Pickford & Black steamers call at Bermuda both going south and coming north, and give travelers time to visit the big hotels and other points of interest and amusement throughout the island.
