

ternational series of Lessons being used in connection with these afternoon services. We have been very much helped by the presence on several afternoons of the Rev. Dr. Gordon who favoured us with good stirring addresses.

Christmas Day was observed with the usual Festivities.

Everything is done to give good healthful recreation on the grounds of the School and a good Reading Room and Library are provided, which are used during the winter months.

The Work of our School Teacher, Mr. Gardener still continues to give the greatest satisfaction to the Board of Directors.

I am glad to report that during the year not a single case of sickness occurred requiring the attendance of the School doctor, I am glad also to say that during the year the general conduct of the boys has been very good. Mr. E. G. Smith again presented a Silver Medal to the boy who should have the best marks for good conduct for the whole year and this prize was secured by Arthur Phinney.

Our School Farm has not been so productive as other years. The Potatoes were a failure and Turnip crop not so good as the previous year. I append a statement of produce sold:—
