

TAKE NOTICE.

Members are particularly requested to take notice that when they give a note for Cash premium payable at the office of the Company here, it must be paid here and not to the Agent. Agents are furnished with printed forms of letter addressed to the Secretary, to hand to the members to use when remitting for their notes, so as to save them the trouble of writing.

Members, when writing to the office, will please be particular to give the number of their Policy.

In remitting money, members are desired to register their letters, and to prepay the postage.

The Annual Meeting, in future, will take place on the third Thursday of February in each year.
