(1) I find Phosferine invaluable as a tonic after a heavy day's (or night's) work, and invaluable in cases of nerve strain. There is not the slightest doubt I should have been in Hospital some time ago were it not for your valuable tonic.

(2) I was feeling generally run down and found my appetite poor, but since taking Phosferine my nerves are completely restored to health again and I feel a new man altogether, thanks to Phosferine, which has given me renewed vigour and energy.

(3) My main trouble was my nerves. I felt "jumpy" and with a continual tired feeling. After some time, without any improvements, I decided to give Phosferine a trial, and after a week or so I felt the change for the better which gradually increased until I was back to my old self.

(4) I never had a day's worry in the line until March 23rd, 1918, in the retirement, and I can only put it down to being unable to get my mind containing my Wonderful Tonic.

(5) Before taking Phosferine my hands shook and the least noise irritated me. I could not sleep at night, but after taking Phosferine for about two months my complaints disappeared.

These three men of action declare that Phosferine alone made it possible to overcome the unhealthy conditions which constantly beset them—Phosferine enabled their nerve organisms to provide the extra vital force to prevail over the severest hardships and exertions.

When you require the Best Tonic Medicine, see that you get

### WOMEN CARRY OUT SUICIDE PACT

Middleton, N. Y., Jan. 20.—Char-  
lotte Wheeler and Martha Hotelling, in-  
mates of the State Hospital here, fulfill-  
ed a suicide pact by drinking coffee in  
which they had placed rough powder  
brushed up from the floor. Miss Wheel-  
er left a note in a Bible saying that for  
economic reasons the insane would be  
better off dead.

### AIR HIGHWAYMEN

Winsted, Conn., Jan. 20.—Real air  
highwaymen have been discovered in  
Winsted, where fishermen report that

ger, swoop down and steal their catches  
from the ice.

### WEALTHY MAN IN WILL ORDERS DOGS KILLED

Morristown, N. J., Jan. 20.—The will  
of Horatio G. Kimball stipulates that  
the decedent's pet dogs are to be de-  
stroyed in a humane manner. The reason  
was that he did not want dogs to be  
to be ill-treated. The American Red  
Cross was a beneficiary in the estate,  
which amounted to about \$250,000.

### THE RESTRICTIONS ARE NOW TAKEN OFF APPLES

London, Jan. 20.—The British food  
ministry has removed all restrictions on  
the exportation and sale of apples com-  
March 31, 1921. (These restrictions re-  
lated to price fixing and internal regula-  
tions.)

### NO CHEAPER DIAMONDS

Amsterdam, Jan. 20.—In order to  
prevent further lowering of prices of cut  
diamonds, the Diamond Industry Com-  
mittee has passed a resolution stating  
that there is no reason to sell cut dia-  
monds at lower prices, because the price  
of a British sapphire for rough dia-  
monds makes it impossible to replace  
the goods at a cheaper rate.

### LESS LACE IN 1921

Nottingham, Jan. 20.—There are dis-  
turbances in the lace trade here. The  
fashion is likely to decrease still further  
severity in women's dress, entailing the  
suppression of embroidery and other  
embellishments. Such a decree if  
adopted by the world of fashion, will  
thousands of Nottingham girl lace work-  
ers.

### GERMANY BARS U. S. FILMS

Berlin, Jan. 20.—The war of German  
film producers against the widespread  
production of American-made motion  
pictures has been carried before the min-  
isters of finance and economics, who  
directed the police authorities to pre-  
vent further exhibitions of American  
pictures.

### BANS MODERN DANCES

Paris, Jan. 20.—Women were warned  
against indecent dances and modern  
dancing in a letter from Cardinal Du-  
bois, Archbishop of Paris. The Car-  
dinal wrote "that the conscience of  
Christian women and girls does not per-  
mit them under any pretext to take  
part in the modern dances, the majority  
of which are exotic in name and origin."

### GET RID OF THAT COLD IN THE HEAD

If Neglected It May Lead to Pleurisy or Pneumonia.

Just as "tail colds from little acorns grow" so is a common cold often the seed from which pleurisy, pneumonia and other lung troubles. Taken at its start, a cold yields to proper treatment. Neglect it and it not only causes serious inconvenience but is very liable to develop into diseases which are rightly dreaded by all.

That cold can be relieved in a single night by starting to take Grip-Fix as soon as the trouble appears.

This remedy strikes right at the root of the complaint. It keeps the system open. It relieves the muscular pains. It relieves the feverish conditions. It comes in capsule form and acts promptly. Two capsules taken three hours apart give wonderful results, and one capsule at two-hour intervals there-  
after finishes the work.

Have a box of Grip-Fix in the house. Never be without it these days. On sale at all druggists, 85c. per box.

### A FINE CALENDAR

The Times has received a beautiful  
calendar, showing a scene on the Valley  
Road, from the Benefit Stores, W. M.  
Stevens, proprietor.

### Those Nasal Little Pimples

That Come On The Face  
Are Caused By Bad Blood

Many an otherwise beautiful and attractive face is sadly marred by the unsightly pimples and various other skin troubles caused wholly by bad blood.

Many a cheek and brow cast in the mould of beauty have been sadly defaced, their attractiveness lost, and the possessor of the "pimples face" rendered unhappy for years.

Their presence is a source of embarrassment to those afflicted as well as pain and regret to their friends.

There is an effective remedy for these facial defects and that is Burdock Blood Bitters, the old reliable medicine that has been on the market for over 40 years.

It drives out all the impurities from the blood, and leaves the complexion clear and healthy.
