### REPORT ON THE ONTARIO CROPS

Toronto, July 19.—The Ontario de-  
partment of agriculture yesterday issued  
the following summary:  
Good progress with harvesting opera-  
tions is reported from all parts of On-  
tario. Wheat is practically all cut and  
a good start has been made on the bar-  
ley. Only a few oats have been cut and  
they will be ready any day now. An  
anomaly is noted in western Ontario  
where in some instances the wheat is  
harvested before the haying is done.  
This is because wheat ripened so early  
that farmers had to leave the haying to  
take care of it and have not yet been  
able entirely to complete the haying.  
Weather conditions are having a vary-  
ing influence on the crops. In Eastern  
Ontario the drought is having a severe

effect. In Kent particularly and in some  
other western Ontario counties slightly,  
considerable damage was done by a  
heavy storm of last week. On the other  
hand Middlesex particularly reports that  
the corn which was flattened out by  
earlier storms has now practically all re-  
covered.  
Reports from many sections are fairly  
unanimous that the demand for labor  
is greater than the supply. In some  
instances it is noted that the labor offer-  
ing is inexperienced and therefore un-  
satisfactory. It is apparent that many  
able bodied men who are willing to  
work and have had some experience in  
harvesting could be placed in the rural  
sections for the next few weeks.

A Detroit Show Girl Found  
Half Conscious in Toronto  
Street.

Toronto, July 19.—Moaning and half  
conscious, Miss Carman Olmsted, a pret-  
ty twenty-two year old show girl, who  
claims Detroit as her home, was found  
last night lying on one of the main  
streets of the city.  
The girl, who said she had played in  
a vaudeville act at one of the local the-  
atres here recently, alleged that she had  
been drugged by a man who took her  
for an auto ride, and was then thrown

### GOING THE PACE.

Dinners With Girls, Bogus  
Checks, and Rich New  
Yorker's Name Used.

New York, July 18.—Rodman Wan-  
maker, deputy police commissioner, is  
the latest wealthy New Yorker to ac-  
quire a bogus "relative" intent on using  
a well-known name for profit.  
A young man who gave the name of  
Harold D. Wanmaker of Philadelphia,  
and who, the police say, claimed to be  
a nephew of Rodman Wanmaker, was  
held today on a charge of passing  
worthless checks.

According to the police, the prisoner  
passed several hundred dollars of bogus  
checks to defray the costs of gay din-  
ners and automobile rides which he  
gave for theatrical parties whom he met  
in the white light district.  
Rodman Wanmaker has no nephew  
named Harold, and the police further  
say that investigation proved the  
Philadelphia address given by the pris-  
oner does not exist.

## PROPOSED WAGE CUT FOR THE MONTREAL STREET CAR MEN

Montreal, July 19.—Col. J. E. Hutche-  
son, general manager of the Montreal  
Tramways Company, after a conference  
with the negotiating committee of the  
tramways employees' union in connec-  
tion with a proposed wage cut of 20 per  
cent, said there was no change in the sit-  
uation. He added that the committee  
had submitted the formal decision ar-  
rived at by the union at a meeting last  
Friday to reject the proposal for reduc-  
tion in wages. The matter will be fur-  
ther discussed on Wednesday or Thurs-  
day.  
The date of the proposed reduction is  
August 1, and about 3,000 men will be  
affected.

### IS ACQUITTED

Corrigan, Mich., July 18.—Forest Hig-  
gins, was acquitted on a charge of hav-  
ing murdered his fiancée, Lucy Wittum,  
by a jury in circuit court here last  
night. The trial grew out of the death  
of the girl from poisoning on March 30  
last.
