BUMPER GRAIN HARVEST.

Winnipeg, Sept. 1.—The grain fields throughout Western Canada, present a continuous scene of harvesting activities, according to a crop report issued today by the Canadian National Railways.

Up to the present the weather has been favorable for the harvest.

From all parts of the country the reports are that the grain is of good quality and the yield from fifteen to forty bushels to the acre. The heaviest yields seem to be in Alberta.

BRITISH COAL STRIKE.

London, Sept. 1.—The Evening News asserts tonight that the triple alliance of labor—the railwaymen, transport workers and miners—will not adopt mediation between the miners and the government. On the contrary the newspaper says the railwaymen and transport workers have pledged full and active support to the miners should a strike be decided upon at tomorrow's conference of the delegates of three unions.

SCHOONER CAPSIZES.

Charlottetown, P. E. I., Sept. 1.—The schooner Maggie May, which ran ashore on Murphy's Point Monday night while entering Charlottetown harbor with a cargo of coal from Sydney, has capsized.
