

Great Bargains In Ladies' American High Class Footwear Offered By Waterbury & Rising, Ltd.

Read the Reason Carefully

The 30 p.c. duty on shoes and the exchange on Canadian money, makes it impossible for us to give our customers value in American boots and shoes, it really means about 50 p.c. added, for which no value is received.

Therefore, we have decided to close out all our Ladies' fine American shoes at startling prices, including 573 pairs of the famous "Dorothy Dodd" quality in Black, Grey, Brown and Patent leathers as follows:

10 different styles at \$ 8.00 per pair, present value \$11.00 to \$12.50.

8 different styles at \$11.00 per pair, present value \$13.00 to \$15.00.

10 different styles at \$12.00 per pair, present value \$16.00 to \$21.00.

A great many of these goods were bought before the big advance and have even better stock than if purchased today.

Call early for first selection. Positively no sale goods on approval.

BRUNSWICK CHAPTER MEET.

The first regular monthly meeting since June of the Brunswick Chapter, I. O. D. E., was held yesterday afternoon at the residence of Mrs. W. I. Fenton with the regent, Mrs. G. S. Mayes, in the chair. The "Lest-we-forget" fund was reported as having many calls upon it, all of which it has met. A letter was read from Lieutenant-Colonel Murray MacLaren informing the chapter that \$272 was due the chapter as refund money from the sale of huts to the British government. It was decided to devote one half of this sum to the New Brunswick branch of the St. John Ambulance Brigade, and to place the balance in the "Lest-we-forget" fund. Mrs. J. Boyle Travers gave a report of the burial of W. A. John in Cedar Hill, for which the chapter had undertaken the responsibility. She also spoke of the fund for the benefit of Mrs. John, and said that many generous contributions had been received.

Mrs. Herbert Mayes, the educational secretary, gave an account of the presentation of prizes at the St. Patrick's and the Albert schools in June. Preliminary plans were made for holding the annual Halloween dance.

WOMEN'S CANADIAN CLUB.

Mrs. W. H. Shaw has recently returned from Montreal where she attended the annual conference of the Association of Canadian Clubs on September 7, as a representative of the St. John Women's Canadian Club. Mrs. Shaw says one of the most important results of the conference will be the establishment of a bureau of speakers of the association.

She hopes to be able to present to the Women's Canadian Club this winter the following notable people:—B. K. Sandwell, professor of economics at McGill; Mrs. R. W. Reford, Montreal, and Prof. J. I. Morrison of Queen's University, Toronto.

Among the delegates at Montreal were Mr. and Mrs. J. B. Ellis of Vancouver, brother of F. O. Ellis of this city. Mr. and Mrs. Ellis are coming to St. John to visit relatives here. Mrs. Shaw was accompanied to Montreal by her daughter, Miss Hilda Shaw.
