

In the joy and gladness of a good Yearly Meeting and much blessing from our Father in heaven, we have remembered those who are separated by long distances from us.

We greet you in the love of Christ, and are reminded that the same Lord over all, is rich unto all that call upon him, yet, we feel that an expression of continued interest in your welfare is due to you as members of Canada Yearly Meeting, and of the household of faith.

We have rejoiced in hearing a pure Gospel preached by many devoted servants of God. Our beloved brother, George Grubb (of Cork monthly meeting, Ireland), a minister of the Gospel has attended our meeting, and has a prospect of visiting some, if not all of you, in the love of Christ. Our prayers go with him, that he may be with you in the power of the Spirit, and his service be to the strengthening of your faith.

As many of the most promising meetings in Canada and elsewhere, have grown out of the faithfulness of one family, and sometimes, of one individual; we feel like encouraging your hearts in God. "Not forsaking the assembling of ourselves together as the manner of some is, but exhorting one another and so much the more as ye see the day approaching." Our Lord has said for encouragement of small gatherings of believers, that "where two or three are gathered together in My Name, there am I in the midst of them." We would, therefore, intreat you to make full consecration of yourselves to God, that you may be used of Him in winning many souls unto Jesus.

The reports of Home and Foreign Missions, Peace and Bible school work, show a lively interest in these fields of Christian labor.

The outlook for Pickering College brightens, and we rejoice at the prospect of opening it this autumn, in the name of the Lord. We trust that some of our young people in the west shall be able to share in the advantages of a Christian education.
