Has been rudely defined by some cynic as "slops and sweets." And after all there's more truth than poetry in the definition. Ice cream and cake may satisfy the palate, but they are far from satisfying to the stomach, which requires that food be nutritious first and nice afterward. By careless eating women pave the way for stomach "trouble," and its kindred miseries.

Dr. Pierce's Golden Medical Discov-

ery is confidently commended as a cure for diseases of the stomach and other organs of digestion and nutrition. By curing diseases which prevent the assimilation of food it enables the body to be built up and strengthened in the only way known to nature—by food digested and assimilated.

digested and assimilated.

"For twelve long months I suffered metold misery," writes Mrs. Molie Colgate, of Randolph, Charlotte Co., Va. "No tongue could express the pain that I endured before I commenced taking Dr. Pierce's medicine. I was not able to do anything at all. Could not eat anything except bread and tea—or if I did the top of my head hurt so it seemed it would kill me; with all that I could do it would burn like fire. But now, since using your 'Golden Medical Discovery' and 'Favorite Prescription.' I can eat a little of almost anything I want, and can do a good day's work as well as anybody can. Am better than I have been for years."
