FERRO - PHOSPHORATED ELIXIR OF CALISAYA BARK!

THE Ferro-Phosphorated Elixir of Calisaya Bark presents a combination of Iron, Phosphorous, and Calisaya, in which the nauseous inkiness of the Iron and astringency of the Calisaya are overcome, without any injury to their active tenic principles, and hlended into a beautiful cordial, delicious to the taste and acceptable to the stomach.

A dessert aspoonful contains one grain of the salt, and a pint of the mixture contains the virtue of one ounce of Royal Calisaya Bark.
