THE WEATHER

Maritime—Strong northwesterly winds; fine and cool. Thursday—South westerly gales; light snow falls and milder.

LOCAL NEWS.

The Athenian arrived at Hong Kong on the 10th inst.

The news that Rev. Father P. Owen-Jones is decidedly improved today will be learned with pleasure by a large number of friends.

This is Ash Wednesday, and in the Roman Catholic and Episcopal churches services appropriate to the day were held.

The Halifax City, from London, is at the Island, and will come up this afternoon. The steamer presented an unusual appearance being very badly leached over.

At the close of tonight's meeting of Union Lodge No. 2 Knights of Pythias, an important meeting of the joint committee on the celebration Feb. 15, will be held.

The break in No. 2 high service water main which occurred on the Trafalgar farm, near Fernhill cemetery yesterday, is being repaired. Supt. Murdoch when seen this morning stated that the job would be completed by tonight. Some difficulty was experienced in locating the break.

Work was suspended again this morning at the new berths at Sand Point. It was found that the men could not work in a satisfactory manner in the cold. D. Clark remarked this morning that the winter has been a hard one for him as he has been obliged to suspend operations a great many times on account of the severe weather.

Leigh B. Freeze, son of R. J. Freeze, who did not leave for Nelson, B. C., as planned, being detained here by illness, will leave for the west on Thursday night. On last Saturday night Mr. Freeze was the guest of a number of gentlemen friends and was the recipient of a gold mounted fountain pen as a token of remembrance. The presentation was made by Mr. Brittain.

AMHERST CURLERS WILL NOT BE HERE THIS WEEK

Instead of the Games With Them, the Thistles and Carletons Will Play Tomorrow

The Amherst curlers were expected to arrive here today, but a telegram has been received stating that they cannot come until next Wednesday. They were to meet the Thistle, St. Andrew's and Carleton clubs. Owing to the non-arrival of the Nova Scotians, the matches between the Thistle and Carleton clubs have been called on for tomorrow afternoon and evening. In the afternoon three rinks will play. The Thistle rinks will be composed of the following: L. A. Barnes, A. W. Machum, A. D. Malcolm, and Geo. Bishop, skip; G. B. Burpee, Oscar Price, H. H. McCallan, and J. C. Chesley, skip; H. J. Machum, Dr. M. McLaren, A. Malcolm, and J. R. Thomas, skip. The afternoon match will take place in the Carleton rink and the match in the evening in the Thistle rink. Thistle rinks for tomorrow night's match are: W. H. Mowatt, W. J. S. Myles, F. F. Burpee, and J. M. Barnes, skip; Joseph Court, E. L. Corbett, Wm. Rivers, and C. H. McDonald, skip.

HEAVY FREIGHT TRAFFIC ON THE INTERCOLONIAL

Many Carloads on the Way Down from Montreal

MONCTON, Feb. 13.—There is a tremendous rush of freight on the I. C. R. Just now. On Monday, official reports showed that there were 1,187 cars of loaded freight enroute; yesterday's reports increase the number to 1,443 loaded freight cars, of which some nine hundred are between Moncton and Montreal. There are only about a hundred empty freight cars out, these not being included in the above. There is a great demand for locomotives. An order of twenty locomotives is now being delivered from Kingston, Ont., at the rate of one locomotive per week. The funeral of the late Mrs. Isabella Polleys took place yesterday afternoon from the home of her son, Mr. Charles G. Polleys, and the services were conducted by Rev. H. Gratten Dockrell, pastor of the First Baptist church. Interment took place at the family burying ground on the Salisbury road near the city. The three young men suspected of robbing a small boy of a quantity of wine on Sunday night, have not yet been arrested, and the police believe they have left the city. Warrants were issued for their arrest, but they have not been located. Mrs. Vincent, widow of the late Warren Vincent, died yesterday at her home here. She was thirty-five years of age.

HE WANTS A FUNERAL

The Editor of the Star:
Dear Sir,—About a year ago, the annual meeting of the Citizens' League was held, and quite a number paid their fees for the year. Since that there has not been a meeting. Would it not be a graceful act to call a meeting, make a financial statement, and if the league is dead, hand back the money to those who paid for the past year, and give it a respectable funeral.

JOHNSON DECLARES HE IS NOT A CHRISTIAN

Three Drunks in Court Today—An Irishman Who Was Naughty in the Army Metropole.

Three prisoners faced Magistrate Ritchie in the police court this morning. They were all charged with being drunk and their cases were quickly disposed of. Anton Johnson, a Swede, twenty years of age was arrested by Officer Ward on Mill street last night. He was quite drunk and used profane language. Asked by the magistrate if he was a Christian, Johnson replied "no." He was fined four dollars or ten days in jail. He paid his fine. John McCluskey, who has only been out from the "Emerald Isle" since July, has been working at Partridge Island. He visited the city yesterday and yielded to the temptation of getting drunk. He went to the Salvation Army Metropole and when ordered to refrain from making a disturbance he showed his anger by breaking a large pane of glass. Adjutant Bowring gave him in charge. He was fined eight dollars or thirty days in jail with hard labor. McCluskey had an order for some pay which was due him, and he will probably receive this and pay his fine. Benjamin Fisher was arrested some time ago, for being drunk. He promised the magistrate that he would stop drinking. He broke his word yesterday, however, and in default of paying a fine of eight dollars, he went into jail for thirty days.

MR. GLASGOW IS NOT YET PLEASSED WITH THE LUDLOW

Thinks the Steering Gear Should be Tested in the Harbor Instead of on the Dock

The steam steering gear on the Ludlow has been repaired and the hand steering gear tested so that the \$100,000 beauty is once more scheduled to go on the route tomorrow morning. The testing of the gear was not made out in the harbor but at the dock. It is understood that Supt. Glasgow, in his report to the sub-committee who have charge of the testing, will say that he is still not satisfied that the hand steering gear could be used with safety in the tide and currents of the harbor. The old boat is still on the route.

BART DUFFY REFUSES TO SKATE BELVEA

Until the Suspension on the Latter is Removed

Kenneth J. MacRae Hopes That This Can be Arranged in Time for the Race to Take Place.

Fred Logan and Hilton Belyea, the local speed skaters, have been suspended by the M. F. A. A. A., for skating in races held at Montreal which were not sanctioned by the Canadian association. Bart Duffy and Belyea have been scheduled to skate in the Victoria rink on Tuesday evening next for a gold watch to be donated by the Star. Duffy stated this morning that he would not skate Belyea, owing to the latter's suspension. Duffy says that he has trained hard and that he has ambition to win more races this winter. He explains that if he races Belyea, he too, will be suspended.

It is quite probable that the race will come off, however, as Kenneth MacRae, local representative of the M. F. A. A. A., will endeavor to have Logan and Belyea reinstated before Tuesday next. Mr. MacRae is sending to the executive of the association several good arguments why the two local speeders should not be suspended because of an Upper Canadian dispute and the general opinion is that Belyea and Logan will be eligible to skate in any amateur events before a week passes. The coming race between Duffy and Belyea is exciting great interest in sporting circles. It is the chief topic of conversation between followers of the sport, and many are guessing as to which skater will carry off the Star's gold watch.
