

HEALTHY LUNGS.

Depend Upon Rich, Red Blood—Poor Blood Means Weak Lungs and Fatal Consumption.

Every drop of blood in the body must go through the lungs. That is why the lungs are helped, and healed, and strengthened with the great blood-builder, Dr. Williams' Pink Pills. They fill the veins with pure, rich red blood that gives health and vigor to weak lungs. That is the way Dr. Williams' Pink Pills brace the lungs to throw off bronchitis and heavy colds. That is the way Dr. Williams' Pink Pills build up the lungs after an attack of la grippe or pneumonia. That is the way Dr. Williams' Pink Pills have saved hundreds in Canada from consumptive graves. No other medicine does this work so speedily and so well. Mrs. Jane A. Kennedy, Douglstown, Que., says:—"My sister, a young and delicate girl, took a severe cold when about seventeen years old. Nothing we did for her seemed to do any good, and we feared she was going into consumption. Often after a bad night I would get up early to see if she had spit blood during the night. A friend strongly urged me to give her Dr. Williams' Pink Pills, and within a month from the time she had begun their use, she had almost recovered her health. Under the continued use of the pills she is now well and strong."

Dr. Williams' Pink Pills not only make weak lungs strong, but they cure all troubles arising from a poor or deficient blood supply, such as anaemia, indigestion, neuralgia, general weakness, St. Vitus dance, headaches and backaches, palpitation of the heart, and the special secret ailments of young girls and women. Insist upon the genuine with the full name "Dr. Williams' Pink Pills for Pale People" on the wrapper around each box. Sold by medicine dealers everywhere or by mail at 50 cents a box or six boxes for \$2.50, by writing The Dr. Williams Medicine Co., Brockville, Ont.

Good Hope Remedy Co. Dept. Nt Montreal, Can.

Dr. Mackay's SPECIFIC For the Treatment of Alcoholism.

Used in connection with the Province of Québec Probation System with Unvarying Success.

The City Council of Montreal has endorsed this marvellous discovery. The Finance Committee of Montreal recently voted \$500 to defray the expense of placing the medicine in each of the city Police Stations, as prompt application of the Treatment to bad cases will prevent the latencies continually occurring in the cells.

No Sanatorium is required. The Treatment can be taken at home. No special diet required. The desire to reform is simply necessary and spirits avoided for a few days.

This medicine is now within the reach of all, the price having been reduced. The wonderful results obtained with the worst class of drunkards coming before the Judges of the Recorder's Courts in Quebec and Montreal warrants the statement that the disease of Drunkenness can be cured—readily and surely—under ordinary circumstances and with the reasonable desire upon the part of an inebriate.

This treatment is simply the medicine of the medical profession—the only secret is as to its administration.

Dr. Mackay's discovery is the result of 25 years of practice as a specialist and expert. He is a member of the College of Physicians and Surgeons of the Province of Quebec.

The Government of Quebec through the Judges ordered over 500 boxes of the medicine for prisoners appearing in the Courts in 1904—Official Reports establish 80 per cent of cures with these cases.

With the public and official endorsement and the record of results published it is unnecessary to waste money experimenting further. All communications private.
